

Passo a Passo:

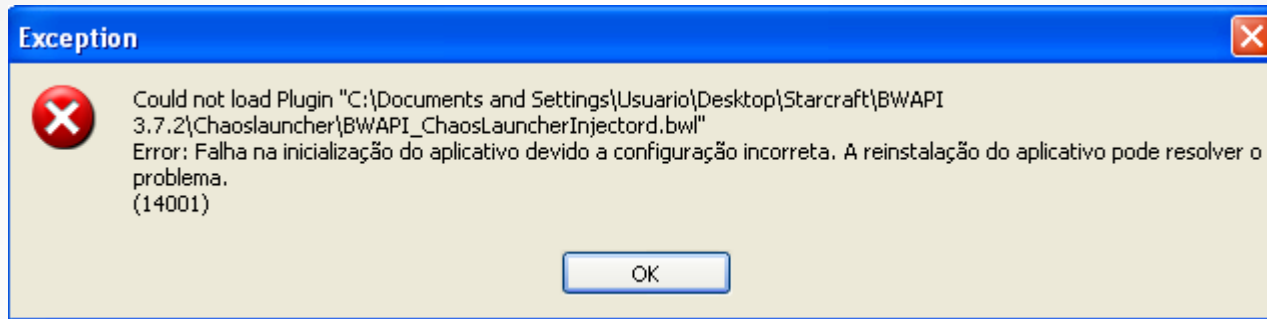

Instalar e Rodar

Copiar

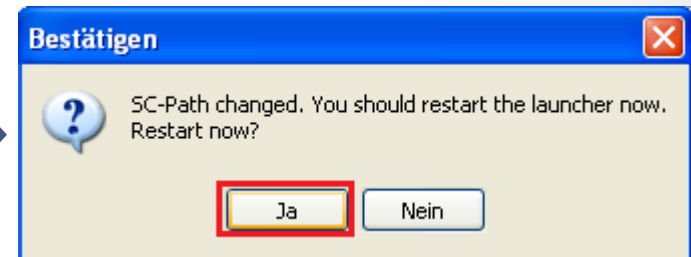

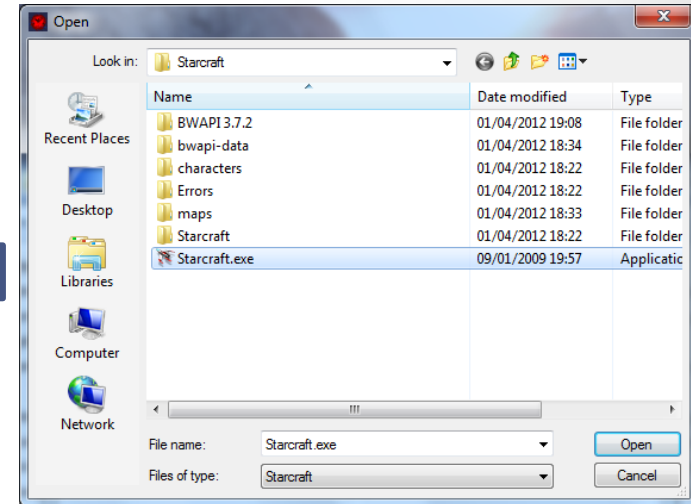

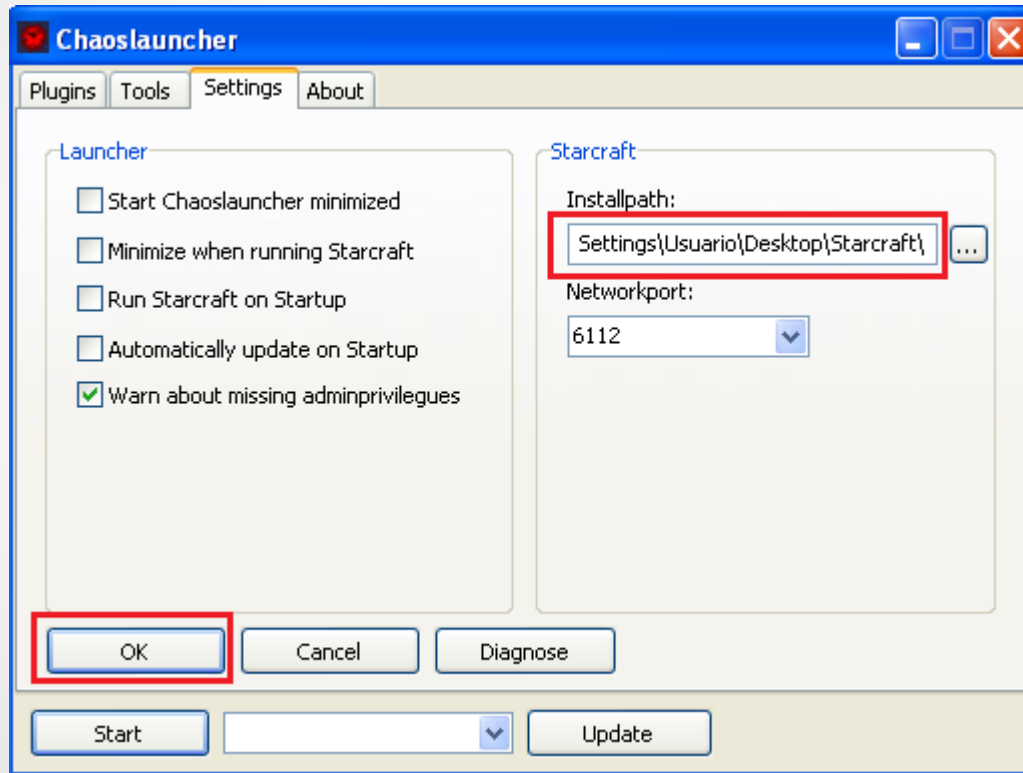

Executar

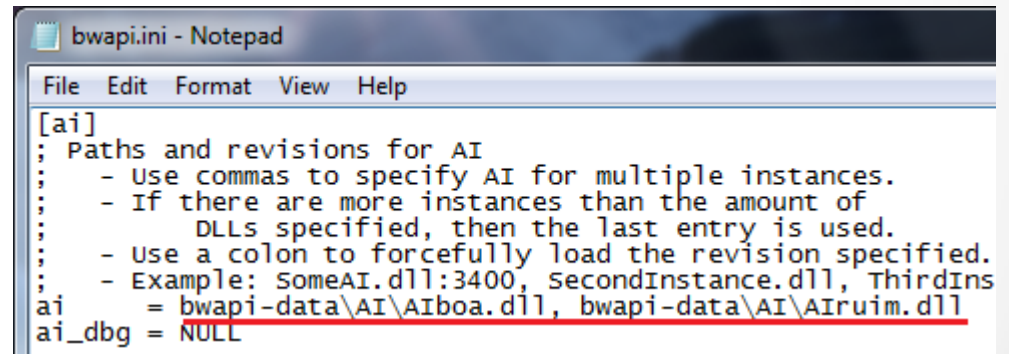

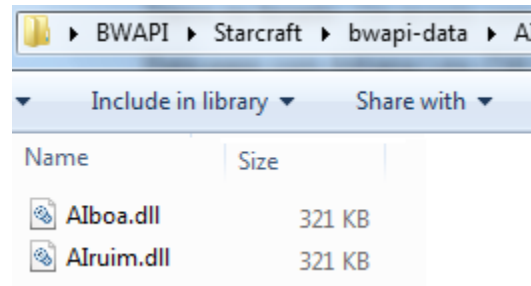

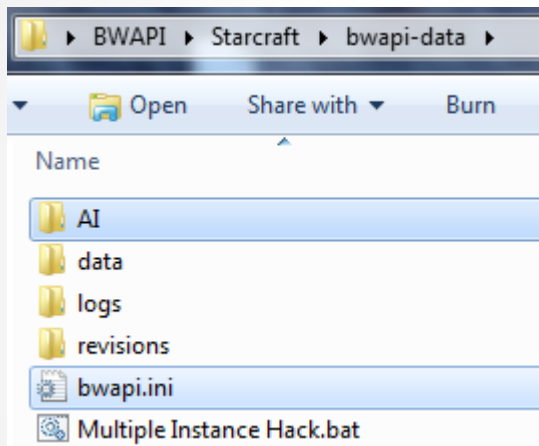

- Pode aparecer este erro ao abrir o Chaos Launcher em alguns computadores, especialmente nos sem ferramentas de desenvolvimento C++ instaladas.
- Apenas significa que não será possível utilizar o modo Debug.
- Não ter privilégio administrativo também trará uma janela de erro informando que o Chaos Launcher não tem permissão para usar o modo Debug.

??? ...Profit!!

(Cpu Throttling)

- Recomendável para diminuir o consumo da CPU
- Obriga o starcraft a dormir por 1ms após cada frame
